## **REFUND AND WITHDRAWAL POLICY**

All players registering with Rossmoyne Volleyball Club agree to the following terms regarding withdrawal.

Withdrawal refers to the situation where someone has registered (or been registered) and paid to attend a service or program but now no longer wishes to continue attending for whatever reason.

The term “player” can refer to both someone who has already registered (or been registered) for a service or program, or someone who has the potential to register (or be registered) for a service or program.

*In general, the policy is written around the fact that when a player registers, they are taking a spot that cannot then be filled by another person. As such, the amount of refund that will be given following a withdrawal will typically be reflective of:*

- *The relative ease/difficulty of finding a new player to take the vacant position created by the withdrawal.*
- *The amount of services and benefits the player has garnered prior to withdrawal.*

### **WAVL**

As soon as a player accepts a WAVL offer they are considered to be part of a WAVL team.

The WAVL season is considered to commence for a team on the the date of their first fixtured game, including any grading day games.

The WAVL season refers to the regular season only. Finals games are not taken into consideration when determining how many games remain in the WAVL season.

The term “fees” refers to the total cost of the season fees for the specific team the player has accepted an offer for. Fees are therefore the same regardless of whether a player pays their fees in full or via multiple instalments.

#### **Withdrawal prior to the season commencing**

- A player who withdraws from a WAVL team with more than 4 weeks until the start of the season will be entitled to a refund equal to 50% of the cost of their fees.
- A player who withdraws from a WAVL team with 4 or less weeks until the start of the season will not be entitled to any refund.

## **ROSSMOYNE VOLLEYBALL CLUB**

### Withdrawal after the season has commenced

- A player who withdraws from a WAVL team once the season has commenced is not eligible for any refund.
- Players who withdraw after the commencement of the season are still expected to pay any outstanding fees.

### Injuries

- If a player suffers a certified season ending injury or illness, they may be entitled to a partial refund regardless of whether the season has commenced or not:
  - If the injury or illness occurs with 5 or less games remaining no refund will be given.
  - If the injury occurs with 6 or more games remaining a player will be entitled to a partial refund:
    - Following diagnosis, the player must let the club know about the injury/illness as soon as they are reasonably able.
  - If requested, the player must provide the club with documentation which adequately certifies the diagnosis, as determined by the committee.
  - The refund amount will be equal to the percentage of the number of games remaining applied to the total cost of season fees minus a \$30 admin fee.
    - The admin fee may be waived at the discretion of the committee.

## **ROSSMOYNE VOLLEYBALL CLUB**

- A player who accepts this refund will not be permitted to play any games for the remainder of the season, including any finals games.
- Players will not be entitled to a refund for games missed as the result of non-season ending injuries or illnesses

## **WAVJL (JUNIOR LEAGUE)**

As soon as a player accepts a WAVJL offer they are considered to be part of a WAVJL team.

The term “fees” refers to the total cost of the season fees for the specific team the player has accepted an offer for. Fees are therefore the same regardless of whether a player pays their fees in full or via multiple instalments.

The WAVJL season is considered to commence for a team on the the date of their first fixtured game, including any grading day games.

The WAVJL season refers to the regular season only. Finals games are not taken into consideration when determining how many games remain in the WAVJL season.

*WAVJL teams typically have fewer players than WAVL teams to allow players to receive more court time. Withdrawals can have a significant effect on the feasibility of the team to enter the competition and field at least six players each week. As a result of the critical effects withdrawals can have on WAVJL teams, the WAVJL withdrawal policy has had to be made rather strict.*

## **KIDS VOLLEY & JUNIOR SKILLS**

Kids Volley and Junior Skills programs are term-based programs. Programs and sessions commence on the day of the first scheduled session for each term. Meaning, if the first Kids Volley session for term 2 is scheduled to start on 5pm Monday 2nd May, the program is considered to have begun, and that session to have passed, as of Monday 2nd May, regardless of the actual time.

*We pay fees back to Volleyball WA based on the number of players (participants) of our Kids Volley and Junior Skills. We pay the same fee to Volleyball WA regardless of the number of sessions a participant attends. As a result, our capacity to give refunds for players who withdraw is somewhat limited.*

### **Withdrawal prior to commencement of the program**

- A player who withdraws from a Kids Volley or Junior Skills program prior to commencement of the program will be entitled to a full refund minus a \$30 administration fee.
- In cases where the player has registered for the wrong program (e.g. a primary school aged player has been registered for Junior Skills):
  - If there is space available in the correct program, the registration can be transferred to the correct program:

- If the new program costs less than the original program the difference will not be refunded.
- The registration can be cancelled and a full refund given minus a \$30 administration fee.
  - It is the responsibility of the player to contact the Club to arrange for a refund to be processed.

## **UNIFORMS AND MERCHANDISE ORDERS**

Except in cases where items are defective, all uniform and merchandise orders are final unless determined otherwise by Rossmoyne Volleyball Club.

Rossmoyne Volleyball Club reserves the right to cancel and refund any uniform and merchandise orders. This may include cases where orders have been placed by customers using discount codes which are not applicable to the customer.

If an item is deemed as defective, it will be replaced with a non-defective equivalent of the same item. If a non-defective equivalent is not available, or cannot be made available within two weeks, a refund will be given.

Uniform and merchandise orders require a committee member to be present to organise and distribute the order. As such, the times when orders can be collected must be arranged in advance.

*Sometimes we have uniforms and merchandise on hand, but often we order these items from our suppliers when people place an order with. This is why uniform and merchandise orders are final and cannot be refunded, except when items are defective.*
